

Indexes.

Note.

In the General Index the names of Friends introduced in the preceding pages as First Publishers are inserted in capitals, as ALLEN, JOHN.¹

The names of those who received the Publishers and their message are given in small capitals, as ADAMSON, GEORGE.¹

Other Friends mentioned appear in ordinary type.

Non-Friends are distinguished, so far as possible, by such description as "constable," "mayor," and the like.

References in heavy-faced type denote pages on which some biographical details are given, as 37, **38**, 109n.

A full *index rerum* has not been attempted, but some subjects of importance have been introduced.

For references to religious subjects, and including Friends' views, see under Baptism; Bible, The; Grace before Meals; Hat-honour; Light Within; Ministers; Music; Oaths; Prayer; Silence in Worship; Singing; Sermons; Theological Passages; Tithes; War; Week-day Meetings; Women's Meetings.

Other subjects include Banishment; Bequests; Churches, Speaking in; Education; Emigration; Ex-Friends; Immorality; Judgments; Priest; Prisons; Quakers; Seekers; Separatists; Sufferings; Young Convinced.

¹ It has not been always easy to determine the position of the Friends referred to, especially where references are slight. Fuller knowledge may require some adjustment of description.
