Notices.

The Editors draw special attention to the article by William C. Braithwaite on "The Westmorland and Swaledale Seekers in 1651," to be found on pages 3 to 10. The letters contained in this article throw much light upon the period immediately antecedent to the rise of Quakerism.

Readers are encouraged to sign and return, accompanied with a remittance, the order form for Supplement No. 7, to be found as an inset in this issue.
