

month the subject was continued ; and in Third Month the minute of denial appeared (see fourth reproduction). In Fourth Month the final minute on the subject ran :—
 “ Nath^l Might reports he delivr^d a Testimony of Denial against Hannah Lightfoot to the Six Weeks Meeting.”

At a sitting of the Six Weeks Meeting (a committee of London and Middlesex Quarterly Meeting), held on the 23rd of Third Month, 1756, the minute of denial was handed in by James Marshman. In Seventh Month, we read, “ The Dispersing the Testimony from Westminster Monthly Meeting against Hannah Lightfoot being under our consideration, Benj^a Bourne is orderd to send a Copy thereof to each of the other five Monthly Meetings.”

In addition to this, the Friends' Registers of Births show that Hannah Lightfoot was born on the 12th of Eighth Month (October), 1730, daughter of Matthew and Mary Lightfoot, of St. John's, Wapping.⁵

The information contained in the Minutes shows :—

1. That she was married by a Priest (this probably means Church of England), in 1754.
2. That she, however, had gone away and could not be spoken with.
3. That her mother was not fully satisfied she was separated from her husband.

But there is no allusion in any way as to who her husband was.

Editors' Note.

Owing to the increased number of illustrations to be included in the forthcoming Supplement, “ Dr. Pole and his Drawings,” it has been decided to raise the price of the Supplement to four shillings and sixpence (one dollar fifteen cents) on publication. The subscription price of three shillings (seventy-five cents) remains as before ; those who wish to avail themselves of this price should forward their orders at once to Norman Penney, Devonshire House, Bishopsgate, London, E.C., or to the American Agents of the Society.

⁵ It will be observed that she was eight years older than George III.
