

IMPORTANT NOTICE

The present membership of the Friends' Historical Society does not provide sufficient income to enable the Society to do its work as effectively as it desires.

Documents and articles of historical interest remain unpublished, and at least 50 more annual subscriptions are needed.

The Committee therefore appeals to members and others interested to:

- (1) Secure new subscribers.
- (2) Pay 10s. for the Journal to be sent as a gift to someone.
- (3) Pay a larger annual subscription than the present minimum of 10s.
- (4) Send a donation independent of the subscription.

The Society does important and valuable work, but it can only continue to do so if it is supplied with more funds.

Contributions should be sent to the Secretary, Friends House.

ISABEL ROSS,
President.

ALFRED B. SEARLE,
Chairman of Committee.
