Lancaster Meeting House Archive

The bulk of this important archive has now been transferred to the Lancashire Record Office where it now bears the catalogue mark FRL. The collection was listed in 1976 and is described briefly by Michael Mullett in the *Journal* vol.54, no.1 (1976), pp.33-4.

At present (November 1985) all records over 60 years old have been transferred, but it is the Meeting's intention that only records less than 30 years old should be retained in the Meeting House. Enquiries about the bulk of the collection should now be addressed to: The County Archivist, Lancashire Record Office, Bow Lane, Preston, PR1 8ND (Tel. 0772 54868, ext. 3026).
